ORGANISED BY THE INTELLECTUAL DISABILITY FORUM

Advances in research in intellectual and developmental disorders:

The effectiveness of complex interventions

Tuesday 27 May 2014 - CPD: 5 credits (applied for)

www.rsm.ac.uk/intellectual-disability

Advances in research in intellectual and developmental disorders

Tuesday 27 May 2014

Aims and objectives

- To bring to a wider audience recent advances in research into complex interventions for people with intellectual developmental disabilities
- To illustrate how researchers, patients, carers and clinical teams can engage effectively in managing research projects

By the end of this meeting delegates will be;

- Able to demonstrate understanding of a complex intervention
- Able to describe the pathway of a clinical trial, list ways in which stakeholders can participate in clinical trials
- Aware of methods of implementing research evidence
