The Venue

Built over 650 years ago, the Great Hall is used for business and feasting; the Undercroft for charity; and the Chapel for religious worship.

The Hall is surrounded by a beautiful walled Garden bordered by the River Foss, which all are welcome to enjoy.

The Hall is between the streets Piccadilly and Fossgate and is fully accessible from Fossgate.

There are several car parks within a few minutes walk and the train station is a 15 minute walk away. Grimston Bar Park and Ride also stops directly outside the Hall.
