

## Training for Carers with Learning Disabilities

Skills for Care are keen to support unpaid carers

The **Carers with Learning Disabilities Network** (supported by Mencap) have been given some money to find out what training would be helpful to **carers with learning disabilities**

We are running 2 workshops in London, where lunch will be provided:

**15 February 2013 – London Bridge, 11am - 2.45pm**  
**18 March 2013 – London Bridge**

The workshops are for carers with learning disabilities. The first will find out what training would be helpful, and the second will try out the training ideas. After we have done this we will tell other carers with learning disabilities about the training.

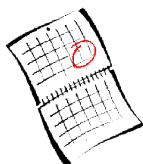

The training will give the carers a chance to share their experiences, learn from others, develop new skills and help other carers with learning disabilities. Hopefully, it will also be fun!

Please let us know if you can come . we need:

- Your name
- Who you care for (e.g. mum, dad, brother, sister, partner)
- If you are able to attend both meetings
- If you have a supporter to help you at the workshops

Please let us know by **Monday 4 February**

We will let you know if you have a place by **Wednesday 6 February**

There are only 15 places at each workshop so we will have to choose who comes
