Non-Executive members for the Advance group Board (un-paid)

We currently have vacancies on our Board for people with skills and experiences in the following areas:

- Human Resources Management
- Finance and IT

We would be particularly interested to receive applications from people with black and ethnic minority backgrounds and/or people with experience of delivering or receiving mental health or learning disability services.

We ask a lot: commitment, enthusiasm and active involvement in about ten meetings a year in the Oxfordshire area. However, we offer a real opportunity to shape one of the leading not for profit organisations in the sector.

For further information visit www.advanceuk.org For an information pack and application form for non-executive Board members contact Di Denham on 01993 866380 or email diane.denham@advanceuk.org

Closing date: 28th February 2007

Interview date: TBC
