

## Oxford Handbook of Learning and Intellectual Disability Nursing

Edited by **BOB GATES**, Project Leader - Learning Disability Workforce Development, South Central Strategic Health Authority, UK and **OWEN BARR**, Head of School, School of Nursing, University of Ulster, Northern Ireland, UK

August 2009  
Pb / 978-0-19-953322-0  
**£19.95**  
624 pp

- **Up-to-date and concise, containing practical, 'coal-face' information for use in the very many areas where intellectual disability nurses are located**
- **Written in a clear and easily accessible format**
- **Contributors are recognised clinical experts**
- **Includes an emergency section**
- **An essential companion for community nurses, ward nurses and all those working with patients with learning or intellectual disabilities**

Intellectual disability nurses can be found working and supporting people in a variety of different care contexts. These include the healthcare system, social care and education, as well as the private sector (including voluntary and not for profit organizations). There are also many disciplines that support these areas where practitioners also work closely with people who have learning and intellectual disabilities.

The *Oxford Handbook of Learning and Intellectual Disability Nursing* is a practical, easily accessible, informative and up-to-date quick reference guide for students and practitioners of intellectual disability nursing who require guidance on the specific nursing care needs of patients with a learning or intellectual disability.
