

# Learning Disability Services

## Workshop programme:

A Making Research Count Workshop Series  
January, February, April and June of 2014.

**Making Research Count** is running a series of **CPD certified** seminar workshops to explore different aspects of working with people with learning disabilities.

The workshops will all feature key figures involved in current research in this area, and will provide insights into research messages, with a practice focus, with time for discussion and debate. **The workshops will be held at King's College London.**
