Special Needs

Luxury Disabled Unit

The latest contemporary design in luxury disabled units. The unit is fully self-contained or with mains connection available.

The unit is finished throughout in high gloss GRP with light walnut effect trim.

A very low access height of only 19cm, with a ramp length of one metre, makes access simple and easy, with the added benefit of an emergency assistance alarm if required.

Features include:

- Chrome non-concussive taps
- Warm water
- High quality hand soap
- Support hand rails for ease of movement.
- 12v halogen down lighters.

Technical Information:

Size: Length: 2.4m Width: 1.9m Height: 2.3m
 Threshold: Height 19cm Ramp Length 1m
 Power required: 16amp 3.5 Kva
 Weight: 600kg

Water/Waste: Self-contained, optional mains water drainage connection
 Capacity: Up to 100 people per day
 Position: Firm level ground with good access

High Dependency Mobile Unit

Designed by Andy Loos craftsman to the highest level of luxury for the severely disabled.

Spacious in design with full working vanity area, complete with large wash hand basin, down lighting and a CD stereo system.

This unit is designed to be both luxurious and easy to use for both carer and the disabled person.

The H.D.U unit incorporates a fully automatic tracking hoist and height adjustable changing bench.

There is more than adequate space in the changing area for the disabled person and up to two carers. A centrally placed toilet with room either side for the carers, and a curtain to allow the disabled person and carer some privacy.

On arrival to your location the unit lowers down on its own hydraulic jacks to a low level allowing for easy ramp access.

This system has a very low access height of only 34cm with a ramp length of over 2.6m to make access simple and easy, with the added benefit of an emergency assistance alarm if required.

The unit is finished throughout in high gloss GRP with light walnut effect trim.

Features include:

- Warm water.
- Soft hand towels
- 12v halogen down lighters
- Support hand rails for ease of movement.
- Wide tear paper roll to cover bench
- Large waste bin for disposable pads
- Emergency call alarm
- High quality hand soap
- A non slip floor
- CD player
