

AUTISM TRAINING CD ROM

TOM BERNEY

LORNA WING

PAT HOWLIN

MADELEINE STARR

DIGBY TANTAM

ANN LE COUTEUR

In March 2005, St. George's University of London hosted a Training Day featuring world experts in Autism. This CD ROM faithfully reproduces all content from the day, including full presentations and audio.

CDs are **£7.55** each, (*which includes P&P & VAT*).

MINIMUM SYSTEM REQUIREMENTS:

Windows 98, 256mb RAM, 15" Monitor, Sound Card, Pentium III Processor, CD-ROM Drive Speed 48x, Quicktime.

Video Content:

Sheila Hollins *Introduction by Head of Division of Mental Health.*
Madeleine Starr: *A Family Perspective.*

Presentations (featuring full audio track):

Lorna Wing: *Historical Perspective.*
Patricia Howlin: *Autism Myths.*
Ann Le Couteur: *Assessment of Children with Autism.*
Tom Berney: *Service Delivery Models for Adults with Autism.*
Digby Tantam: *Understanding People with Asperger's Syndrome in Adulthood.*
