# Big Ears Multimedia On-Site Training Package

Big Ears has taken Multimedia profiling (MMP) to a new level with its Multi Me resource pack www.bigearsmultimedia/multime We are running a new training course which includes the Multi Me resource pack free for all bookings by January 29th 2010.

## Who is the course for?

People with learning difficulties and any service that supports them with self-advocacy and life/support planning.

## Course objectives:

- ❑ For a person with a learning disability to begin developing their own multimedia profile with a facilitator over the duration of the course.
- ❑ For delegates to learn technical and practical skills in using multimedia as a tool for advocacy, life coaching and communication.
- ❑ To involve a range of key people in the media and information gathering process.

## About the package:

The package consists of an on-site training course for up to 15 delegates and the full Multi Me resource pack (100 user licence). The course consists of 5 full day sessions run over a 10 week period. The cost of the package is £3250 + VAT. Further reductions can be given for small organisations - please contact us for more details.

NOTE: Multi Me is a Microsoft Windows based resource and training.

---

*"I thought the course was great, a real eye – opener, exciting and engaging, progressive and very useful – I would recommend this to everyone working in the learning disabilities field – this is the way forward for person centered work!"*

**Richard Lohan – CLDS, LB of Camden**

*"Highly inspirational, fun and eye opening. Would highly recommend the training and tool for person centered planning and other uses."*

**Naomi Blackwell - Communications and Access Officer, Croydon**

## What does the course offer?

- ❑ The focus person to get a Multi Me Mini Pack of their choice and to develop their own Multimedia Profile.

- ❑ For participants to develop skills in self-advocacy, communication, choice-making and life planning using multimedia.

- ❑ Experience of MMP facilitation with people with learning difficulties and their Circles of Support

- ❑ Technical, practical and theoretical skills in working with MMP

- ❑ An introduction to the values of Inclusion
