‘Reviewing Medicines
Management & Best
Practice Guidelines In
Adults with Learning
Disability’

Rosemont®

Sponsored by an unrestricted educational grant from Rosemont Pharmaceuticals Ltd.

The source of liquid solutions.

I am delighted to invite you to participate in an educational forum where a speaker panel will be discussing and reviewing Medicines Management and Best Practice Guidance for Dysphagia in Adults with Learning Disabilities. The meeting will also be launching and discussing the merits of new guidance developed by a multi-disciplinary working party that was published in October 2012. The guidance covers:

- **Diagnosis , Treatment & Management**
- **Medicines Administration & Medicines delivery**
- **The Mental Capacity Act**
- **The IHAL/RCGP Commissioning guide**
- **Patient Care Pathways**
- **Professional Liability**

The agenda has been specifically designed to focus on the key areas that will not only support best practice and improve patient care, but also highlight the medico legal and best interest considerations of prescribing for Dysphagia in this patient population.

The meeting will take place on Wednesday, January 23rd 2013, at the Malmaison Hotel, Birmingham, however, if you are unable to make this date but are eager to be involved, please contact us to discuss other dates and venues for the forum meetings.

As Chairperson, I very much look forward to your participation in what promises to be an informative and interactive event.

On behalf of our sponsors, Rosemont Pharmaceuticals, we look forward to receiving your reply and welcoming you to this valuable educational meeting.

Yours sincerely,

Dr Jill Rasmussen,

Chair RCGP LD Group
GPwSI Mental Health & Learning Disability,
Moat House Clinic, Surrey
