

missing

Can you help?

Brian Matthews

Age at disappearance: 62

Brian has been missing from West Norwood, south-east London since 17 October 2007.

There is great concern for Brian's safety as he has cerebral palsy and can have difficulty communicating. We urge anyone who may have seen him to contact the charity.

Brian is 5ft 9in tall, of medium build with short grey hair. He walks with a limp and when last seen, was wearing a pair of pyjamas. Although he usually wears glasses, Brian does not have them with him.
