

Building Our Power

Training to support the participation of people with learning difficulties on governing bodies

Building Our Power

Content covers all the material (trainer's notes, handout, presentations and exercises) needed to run 2 hour sessions on:

- Introduction to your organisation
- Roles & Responsibilities of directors
- Carrying out our roles well
- Representation, Conflict and Complaints
- Finance
- Commissioning
- Keeping Staff
- Campaigning
- History of attitudes to disabled people and models of disability

Run your own training using this training pack: price £30.

Connect in the North can deliver customised training from £300 per session.

We can also facilitate accessible business planning to ensure the involvement of all your stakeholders.
