! Important please note

- 1. Please take note** that you can only **secure** a place on this workshop by sending in a completed booking form with payment, as on page 1.
- 2. Please take note** that the National Anti Bullying Advocacy Group has a policy that all people taking part will need to **arrive on time and stay until the workshop is finished**. This is important in order for all participants to achieve maximum benefit from the day.
- 3. Please take note that this workshop is not aimed towards support staff or parents**. There are **separate workshops aimed towards staff and parents on separate dates available**.

For enquiries: weldonfi@tcd.ie

- 4. Participants can bring support people on the day if they wish**. However, please note that support staff are not permitted to actively take part in the actual workshop's activities and are only permitted to attend the workshop on a **requirement of need basis only** for the participant. Please be mindful that numbers of support staff at this type of workshop are therefore kept to a minimum.

Please do not hesitate to contact us if you need any further information regarding the above information: weldonfi@tcd.ie

Participant numbers will be limited to approximately 14 participants
Please make sure you have received confirmation by email:
