Choice Support is a charity providing support to adults with Learning Disabilities in their local communities. We support over 400 people across England and are known for the quality and innovation of our work.

We are looking for up to two Board Members who have a learning disability to join our Board of Management to help lead the charity in its work to put people in control of their lives.

You will need to attend up to 12 meetings a year at our Head Office in Central London and visit services nationally to get to know our service users and staff. These are voluntary positions but travelling and other out of pocket expenses are paid.

If you would like to talk to someone about these positions please telephone Sarah Maguire on 07810 378346. For an application pack please telephone 020 7261 4106 or visit:
