

Tuesday 26th November 2013

Stepping Hill Hospital, Stockport

autism
a hands on approach

Registration: 08:30

Event Closes: 16:30

The 10th Annual National Conference organised by Professionals & Parents in Partnership

Just **SOME** of the speakers you can hear this year:

Professor Gillian Baird OBE - Consultant Paediatrician, Guy's and St Thomas' NHS Trust and Professor of Paediatric Neurodisability, Gillian gave a marvellous talk when she joined us at the 2010 conference and we really look forward to welcoming her back.

Professor Francesca Happé will be joining us in 2013 as a keynote speaker. Renowned Professor of Cognitive Neuroscience at Kings College. This year's President of the International Society for Autism Research. Winner of the Royal Society Rosalind Franklin Award.

Philip Whitaker Philip's a guru on 'Challenging Behaviour' and his talks on this subject keep you completely focused. We haven't heard from him since 2009 so we are really pleased he has agreed to return.

Charlotte Moore Journalist, Parent & Author of 'George & Sam' returns to chair & share more of her experiences at the 2013 conference.

Lynne Moxon who wowed us with her workshop on 'Sex and Sexuality' in 2011, has agreed to join us again this year. Lynne has a wealth of experience. She is a highly experienced Educational Psychologist who specialises in the autism spectrum.

Peter Berchtold Stepping Hill's own very knowledgeable Consultant Paediatrician, Autism Lead who has supported our conference since its inception.

Plus parent speakers, sharing their experiences

Conference Fee includes: delegate pack, lunch & refreshments throughout and a CPD Certificate (if required). Registration

Parents: £35
Professionals: £100
