

‘How to Use Your Digital Hearing Aid’

After receiving valuable feedback from audiologists in response to our free download “How to Use Your Hearing Aid” we are pleased to launch an additional digital version.

Whether you are young or old it can be hard getting to grips with a new hearing aid. **CHANGE** has made this visual guide to support people who find reading hard to know how to get used to their new hearing aid.

It will also support health professionals to explain things in a clear and accessible way to people with learning disabilities.

You can download the guide for **FREE** from our website here...

CHANGE is a leading national human rights organisation, working for the rights of all people with learning disabilities. At **CHANGE** we employ people with learning disabilities on an equal, living wage to produce accessible resources and deliver training. The income from any of our sales is put straight back into **CHANGE** to ensure we can continue to employ people with learning disabilities.
