

***** IMPORTANT NEW LAW *****

The Disability Equality Duty

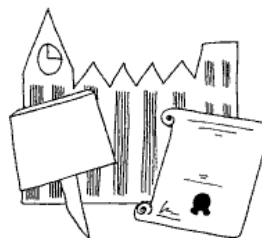

Training Day

Could this be **YOU**?

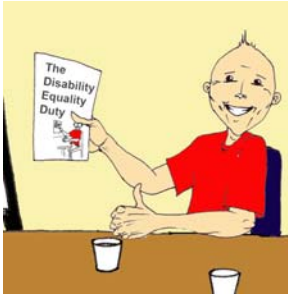

An important new law called the Disability Equality Duty starts in December 2006.

This affects **YOU** and all self advocates.

This law will make organisations like Councils, Schools and Hospitals take notice of the needs of all disabled people when they are providing public services

Have you got what it takes?

We are looking for **self advocates** to come and **be trained** about this new law so you can **spread the word** in your region.

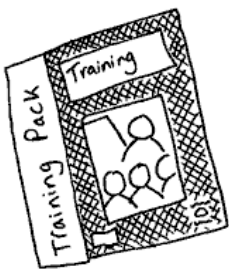

We are running Training Days around the country.

You can come to this training if

- ✓ you are in a self advocacy group
- ✓ you go to the regional forum meetings
- ✓ you go to partnership board meetings

Only two people plus one supporter can come from your self-advocacy group.

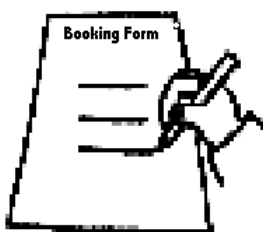

We will train you in the Disability Equality Duty so that you can go and train others in your Region.

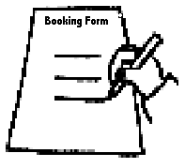

We will give you an **information pack** which will help you to do this.

HURRY!

There are only 20 places available on each day
first come first served

Please fill in and send back the application form if you would like to come to the training day in your Region.
