New Website Launched!

We are pleased to announce that our new look website has been launched. We see this as an 'ongoing' task! As we want to make sure it remains up to date and relevant. We are encouraging readers to sign up to our members area which will give them access to a range of open source materials. We have recently added materials created by Mark Bradley to support health action planning. We will be adding more materials to support person centred care planning in the coming weeks so please do revisit!

2nd Annual Conference Including Everyone, Everywhere 9 December 2009 St Georges Conference Centre Leeds £90 + vat

Following the success of our 1st annual conference 'Better Health for ALL' we are holding our second conference to support the health of people with learning disabilities. This year we are focussing on supporting people with more complex needs.

We will be covering a range of policy, clinical and performance issues.

Our speakers include a representatives from the Department of Health, Care Quality Commission, commissioners and providers of health and social care.
