

## LEADING FOR OUTCOMES

# NATIONAL LEADERSHIP CONFERENCE FOR LEARNING DISABILITY NURSES

22<sup>ND</sup> SEPTEMBER 2010  
RIVERSIDE CONFERENCE CENTRE

Riverside Court  
Riverside Road, Pride Park, Derby DE24 8HY

**DERBY**

Debra Moore associates in partnership with the Royal College of Nursing and the Department of Health is delighted to announce details of this important National Event for learning disability nurses.

All health professionals are aware of the dramatically changing landscape within the NHS and this day will provide an opportunity for nurses to explore what the future direction of travel may be for them. This will include the important and **urgent issue of training and recruitment** of learning disability nurses.

- Community learning disability teams – the role of the nurse and national survey findings
- Acute liaison nursing – what have we learned so far?
- Strategic health facilitation – impact on outcomes – contribution to the DES
- Assessment and treatment (including forensic) – developing care pathways
