

St Nicholas
Hospice

Access to Excellence

Exciting opportunities to develop your understanding of key topics in contemporary palliative care

PALLIATIVE CARE EDUCATION

Advanced Communication Skills

Noreen Cushen & Jackie Saunders facilitate this learner-centred course designed to explore working with angry relatives, despairing patients, breaking bad news, dealing with conflict, information giving, identifying hope & more

5, 6 & 7 February—9.30am to 4.30pm **£210.00**

Bereavement Principles & Practice: where are we now?

Colin Murray-Parkes and others explore resilience, attachment theory and much more.

Date TBC - 10.00am to 3.00pm **£60.00**

Learning Disability and Palliative Care

Exploring the particular needs of people with learning disabilities and the significant complexities which occur in assessment, communication and care delivery

June date to be confirmed—10.00am to 4.00pm **£60.00**

All courses are **FREE** to NHS staff in West Suffolk

For details or to book contact
rachel.brown@stnh.org.uk or call **01284 715591**

We are grateful to Help the Hospices and Suffolk PCT for their continued support
