

Here is a list of the resources we have provided you for your Partnership Board or another local organisation to feed back to the government about the NHS White Paper.

These resources are:

Presentation about the White Paper

This was produced by Inclusion North. You can use this to explain more about the White Paper at your meeting. You can alter this to include any local information.

The Easyread White Paper

This was produced for the Department of Health. At the end of this are some questions that the government want your views on.

Report about the White Paper

This was produced by Debra Moore and a group of Self Advocates for Inclusion North. This is to help you think about what the White Paper says.

Having our say about the NHS White Paper

This was produced by Inclusion North. This includes some more questions that you might want to take to your meeting.

What we think about the NHS White Paper

This was produced by Inclusion North. You can use this to send in your comments to the NHS White Paper Team. You can also pass on your comments to Inclusion North if you are doing this on behalf of one of our member areas.

Please note that your feedback needs to be sent to the NHS White Paper Team by Monday 11th October and to Inclusion North by Wednesday 6th October 2010.
