

Ealing Hospital Friends & Family Ward Test

Hospitals around the country are asking all adult patients
“Would you recommend our ward to your family and friends?”

We want to make things better at Ealing Hospital, and would like to know what you think

We would like you to fill in our survey - a member of your family, carer or a member of our staff can help you if you like

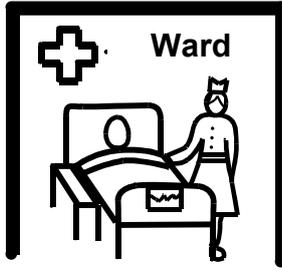

You don't have to give your name or personal details

We will put the results each month in the hospital and on our website

This easy read information has been designed and produced by:
