In our society today, both women and men with learning disabilities are being forced into marriage. This fundamental breach of human rights remains a hidden problem.

This seminar seeks to raise awareness and to provide a forum for discussion on how to address the issue.

The seminar is aimed at practitioners, policy makers and those with an interest in the prevention of forced marriages of people with learning disabilities.

Speakers:

Hannah Buckley—Forced Marriage Unit

Mandeep Sanghera—Voice UK

Imam Sajid
