

SUMMER SESSIONS ON FACILITATED MOVEMENT AND COMMUNICATION DEVELOPMENT

Fact-network is hosting a summer conference on FC and movement issues. The dates for the summer conferences are:

**Thursday 28th and
Friday 29th June 2007**

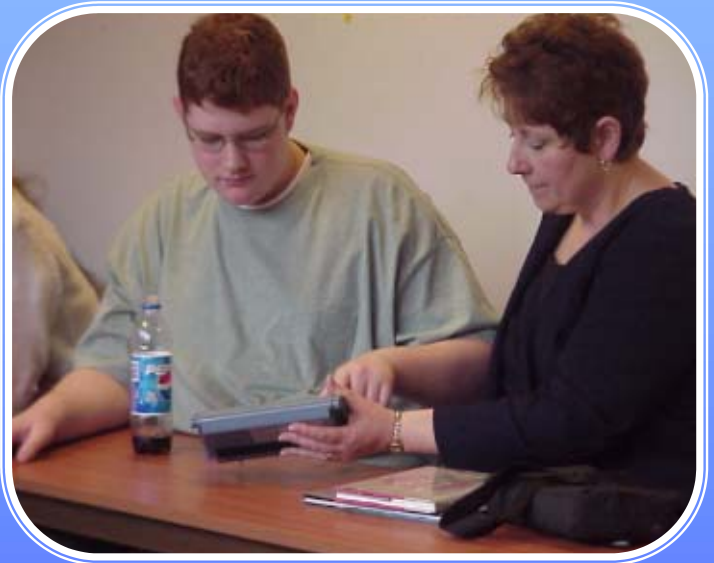

Facilitated Movement

This programme is for Individuals with movement, behavioural and communication issues. This training opportunity is for anyone who works with an individual who does not speak. This includes personal support teams, teachers, speech and language therapists, parents and any person with an interest in supporting people to communicate. All are welcome.

The programme will incorporate the following elements:-

- The importance of a well constructed communication strategy for individuals who have communication impairment.
- The need for independence and respect for the individual being central to any strategy, and must be accepted by the supporting staff team and family.
- Overview of movement issues for individuals
- Understanding the sensory issues individuals experience with ideas and strategy to help.
- Support for support staff
- Fun and laughter with learning communication techniques.
- Ready steady GO...

WHO IT'S FOR

This 2 day course is for people who are thinking about using facilitated movements and FCT as a means of communication, as well as families, therapists, support teams, managers, personal assistants, teachers and anyone committed to empowering disabled non speakers.

Places are limited ... so please book early.

Cost to individuals will be £250 for the 2 days of the course.

For individuals who would like an private consultation, these will be available via the FACT team.

This will be a first come first served basis.
Please bring your own lunch – drinks will be provided throughout the day.
