

# Carers with Learning Disabilities Fulfilling Potential Consultation

Office for Disability Issues  
HM Government

The Government wants to know more about the lives of people with disabilities.

Mencap and the Princess Royal Trust for Carers have been given some money to find out about carers with learning disabilities.

We are having 2 meetings:

1 March 2012 – Sheffield

2 March 2012 - Bristol

We can pay for travel for carers with learning disabilities to come to the meetings.

We can also pay for support for you to attend but we can't arrange support for you.

Please let us know if you would like to come – we need:

- Your name
- Your age
- Who you care for (e.g. mum, dad, sister, brother, partner)
- Which meeting you would like to come to

Please let us know by 21 February.

We will let you know if you have a place on 22 February.

There are only 10 places at each event so we will have to choose who comes.

If you can't come we would still like to hear from you about your life as a carer. Our contact details are:
