Growing up and moving on? Got some questions?

Come to one of the **FREE** Moving On Up Fun Days in Leeds or London! The days are for young people with a learning difficulty from black and minority ethnic communities who are becoming adults.

You can find out where to get information about transition, meet new people and think about what you want for your future. The day starts at 10am and finishes at 2.30pm.

Different organisations will be there help you think about work, college, advocacy, health and free time so that you can find out about what's out there and how you can get it!

Have fun celebrating our differences with workshops to get you moving and thinking using technology, drama and music.

Look at the news and events section of [www.movingonup.info](http://www.movingonup.info) for more information.
