

Getting a Life Network

8th July 2008

10.00am - 3.00pm

Venue: NWTDT Training Room, Suite 4, TMC Building, The Globe Centre, Accrington, BB5 0RE

Presented by Linda Jordan

We would like to invite you to the next Getting a Life meeting.

One of the major barriers that stops people with learning disabilities from having real choice and control over their lives is the way that different local services, planning and funding happens. Sometimes this is because of local decision making and sometimes it is because of national policies that don't fit together well.

We need to be more focused on employment support and day service change fitting together in a way that helps people have more control over their daily lives. The network aims to support people involved with the planning, provision of day opportunities to think about what progress has been made, what the priorities are for the future, to share and learn about good practice across the North West and to plan what actions need to be taking in supporting individuals in having more meaningful, fulfilled lives.

Linda Jordan - national co-lead for Getting a Life Project - will be present to tell us more about the project and developments so far.

Linda works full time. Before this job, Linda was Head of Special Educational Needs in the London Borough of Hackney. Linda was previously a teacher and from 1986 to 1994 also an elected councillor in the London Borough of Newham. She is the parent of a young woman with a learning disability. Linda is leading the 'Getting a Life' Project with Nicola Giltsham for the Valuing People Support Team
