

Debra Moore Associates are pleased to announce the following timely and important workshops to support and promote the implementation of Health Action Planning and Health Facilitation.

### WORKSHOP 1

Leading and Managing  
Local Change to Support  
Better Health

### WORKSHOP 2

1:1 Health Facilitation  
The Basics

### WORKSHOP 3

Including Everyone -  
Health Action Planning and  
Health Facilitation with People  
with Complex Needs

Workshops have been developed  
and will be delivered by recognised  
experts in the field

This series of workshops are tailored to support participants to attain relevant skills and knowledge and make the most of their time.

You can attend all three workshops but we have designed them so that you can attend the ones that suit your needs best, for example workshop 2 is particularly aimed at people who will be involved in developing and facilitating individual Health Action Plans.

If you are not sure if which ones are right for you please contact us.
