

JOIN THE INTERNATIONAL CREATIVE COMPETITION!

Persons with disabilities have the right to be equal members of society. This is often not the case – in Europe and around the world. In developing countries – like Ethiopia or South Sudan – a young person with disability will often not have access to school, jobs or social life.

Let's show the world -
it doesn't have to be like that!

SHOW ME INCLUSION

Film it! Draw it! Record it!

Get creative by filming a spot, writing a scenario, sketching a storybook to show us what inclusion means to you...

The winning idea will be professionally produced and shown to an international audience!

[Submissions accepted until 16th September 2012 at 23:59]

This project is co-financed by the European Union
