

just info: information for everyone

We can help you produce and distribute your information in different accessible formats, so everyone can understand what you want to say.

Special offer, order before 31 March 2006 for a 10% discount.

Text is edited to avoid jargon, using simple words and structure makes it easier to understand and translate into other languages.

Documents are desktop published using clear print guidelines, they look good and are easy to read. Documents are supplied ready for printers.

Pictures, illustrations and pictograms added to make text easier to follow for people who might find it hard to read.

Documents can be printed in large print format or braille.

Text can be read and recorded. Saved onto audio tape or CD. Can be distributed as a computer file.

Documents saved in different computer file formats, useable by most people and suitable for screen reading software.

We have worked for organisations including:

Just Info is a service from Manchester People First, a self-advocacy group for adults with a learning disability.
