'Best Practice & Essential Techniques in Moving & Handling Children'

A Disabled Living Conference to be held at the 'Kidz in the Middle' Exhibition, Ricoh Arena, Coventry
Thursday, 10th March 2011

This conference has been designed to provide delegates with the essential information they require to ensure safe and best practice.

The half day session, combined with an opportunity to view the latest moving and handling equipment at the 'Kidz in the Middle' exhibition provides delegates with a comprehensive CPD update. The 'Kidz' exhibitions are now the events of choice to launch new paediatric equipment into the UK market.

Programme

Time: Morning session - 9.30am – 12.30pm **OR**
Afternoon session - 1.30pm – 4.30pm

Content: This conference explores the moving and handling of children in community and hospital settings. The theory of relevant law and guidance will be covered; using scenarios to ensure delegates can apply the information to their work. The practical session will use a problem solving approach, using equipment and techniques tailored for those working with children, and for those assessing their moving and handling needs.

Presenter: Elizabeth Hallows, Chartered Physiotherapist MCSP LPC (Back Care Management).

Target Group: All those involved in the moving and handling of children – with, or without special needs.

Cost: £60 plus VAT - includes refreshments.

To reserve your place contact the Training Administrator,
Tel: 0161 214 4592.
