EDITOR: COLIN PARISH  
FREQUENCY: 10 TIMES A YEAR

A unique journal for nurses and carers of people with learning disabilities, **Learning Disability Practice** brings you cutting-edge information you can rely on to help you in your day to day work. Published by RCN Publishing Company, **Learning Disability Practice** provides up-to-date coverage of the significant issues in the field including:

- The **latest news** – comprehensive, up-to-the-minute news articles and policy developments relevant to disability professionals
- **Practical articles** and **features** – regular in-depth features, top quality clinical articles and analysis of topics written by experts
- **Positive images** – inspiring projects spotlighting how the lives of people with learning disabilities are being transformed
- The **latest research** – clear summaries of questions, methods, results and evidence-based conclusions

A subscription to **Learning Disability Practice** includes **FREE** access to the RCN Publishing Online archive of over 6,000 clinical and research articles.
