## LEARNING DISABILITY TRAINING

- Offers a wide range of excellent, practical, relevant courses delivered in-house to staff from organisations committed to developing real opportunities for people with learning disabilities.
- Is run by Rose Harwood, an experienced trainer and facilitator with a strong value base and a broad range of skills and knowledge in this field.
- Is up-to-date, taking into account implications of new legislation and standards / requirements.
- Courses are mapped to the Learning Disability Awards Framework (LDAF) and provide underpinning knowledge for NVQ's in Health and Social Care (Adults).
- Listens carefully to your needs beforehand and ensures that training reflects your organisation's aims, values and policies.

## LDT COURSES – TOPICS COVERED

Courses range from ½ – 2 days in duration, depending on the topic and level of knowledge required.
