

# Building Bridges

training

## Learn Something New!

Building Bridges Training is offering a free 3 day training course for people with a learning disability, called "Learn Something New!" You will learn what you are good at and what you want to do with your future - and make plans to get there.

*Free courses in Sandwell, Walsall and Dudley for people who have a learning disability and don't go to day services.*

### You need to:

- Be willing to speak up and talk to other people in the group.
- Be committed to coming to all 3 days of the course.
- Want to work towards a qualification, which means doing some homework!
- Be good at listening to others and willing to ask questions if you do not understand.
- Complete some worksheets with help and make a folder showing what you have learned. This is your portfolio.

### If you complete the course and finish your portfolio you will get:

- A level one unit called 'Improving Own Learning and Performance' which counts as 3 credits towards an NOCN (National Open College Network) qualification in 'Progression'.
- A certificate from Building Bridges Training
- An invitation to an awards celebration in April
- A £10 gift voucher

# Choose a training course near you!
