SPONSORS & EXHIBITORS:
The venue layout is such that the
Forum, Exhibition and refreshment
areas, although individually spacious
sit closely together to ensure
maximum exhibition footfall and
business networking opportunities.

The mcug encourages experienced
and suppliers to sponsor and/or
exhibit at this event firmly believing in
the value such investment.

Mobile Computing

The big issues will be addressed here

Don't miss the MCUG Forum 2009
(with exhibition and Dinner)

" The MCUG is an association that provides a platform where business users of mobile IT systems can share problems, information and good practice and, as importantly, communicate that information to the wider business and supplier community"

"The perfect opportunity to ##################### ########## etc"
Chris Bailey, head of Motoring Technology, The AA

"At previous events we have coined the phrase; 'Who Shares Wins', Forum 2009 will be no exception"
Martin Morey, Secretary, MCUG and Operations Director, OSYS Technology Ltd
