Our organisation

Our organisation NØW is a Limited Company with charitable status which has been operating in North and West Belfast since 2001. We provide quality training and employment services for local people with learning difficulties who often are furthest removed from the labour market. Our aim is to enable local people with learning difficulties to get the job they want and keep it. Over the last 9 years we have developed a range of innovative, person centered services which help participants realise their full potential.

These include:

- An award winning Training Service providing a range of vocational and essential skills based courses
- An innovative Transition Service working with young school leavers
- An Employment Service which works with people with learning difficulties and local employers to get the perfect job match NØW also operates a social enterprise business called Loaf Catering which includes three busy cafes and corporate catering delivery service.

Designed to help people with learning difficulties manage their money

We all need to know how to manage our money

Our qualified and experienced trainers have designed and developed a proven training course that will help people with learning difficulties understand the value of money, how to manage money, use an ATM and keep their money safe.

The course is in three parts;

- An online Interactive Section with 11 interactive activities
- A Video Section with videos showing **How to Keep Your Money Safe** and **How to Use an ATM**
- A Printable Workbook Section with information sheets to support learning

Features and Benefits

Interactive Section

- Fun activities which encourage participation and engages learners
- Improves IT skills
- Increases money management awareness of:
 - Income & Expenditure
 - Paying bills
 - Managing debt
 - Banking and Keeping Your Money Safe

Video

- Provides both recreational and instructional training support tools
- Real social situations that people can relate to
- Visual instructional materials providing an opportunity to familiarise learners with everyday activities

Printable Workbook Section

- Printable individual classroom based workbook
- Information sheets to support learning and stimulate group discussion work
- Additional Trainers Support Notes on delivery techniques and learning options
