

**Multi Me** is a new secure, social network on the Internet

**multi me**  
Support Networking

Call us on 08453 888 590  
or visit [www.multime.com](http://www.multime.com)

It is fun and easy to use – you don't have to use words

# Multi Me can help you to...

Be in control of how you share your information

Use multimedia to tell your story

Plan your life and build a circle of support

Chat with friends

Get out there!

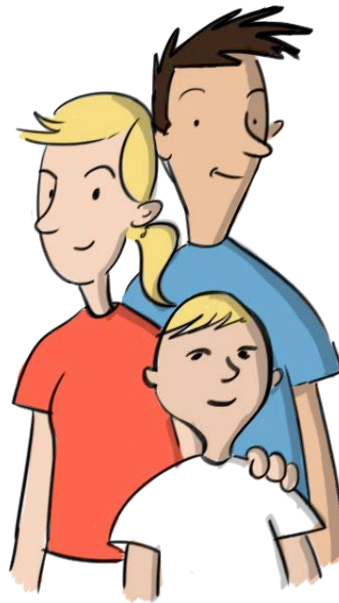

Play a part in your community

Multi Me is about helping you to **learn, communicate, share** and **plan** your life through the help of your online support network

You can have a **Buddy** to help you  
with your Multi Me...

They can help you to;

- Make sure you stay safe with other users
- Make sure you don't post anything you don't want to

**Multi Me** is about helping **you**  
express yourself and get the support  
**you** need in life.
