**Time:** 9:30 am – 4:30 pm

**Duration:** One day

**Cost:** £30.00 per person

**Target Group:** All Learning Disability Staff and Managers Supporting People with Challenging Behaviour

People with learning disabilities may exhibit behaviour that is challenging to the services supporting them. This Level 2 course explains how Positive Behaviour Support techniques can be used to plan effective responses to reduce challenging behaviour. You should attend the course with an individual service user in mind. Through presentation, group and individual work you will design a basic Positive Behaviour Support plan that can be taken back to your service and developed further in practice.

### Learning Outcomes

At the end of the course you will:

- Be able to describe the principle components of Positive Behaviour Support
- Be able to identify the four main functions of behaviour
- Be able to assess the effects of environment and communication on behaviour
- Be able to plan positive programming strategies that may benefit individuals
