01 June 2010

Dear Colleague,

I am pleased to announce that Mott MacDonald is recruiting reviewers with either an education or practice background from learning disabilities nursing, to increase our pool of reviewers to assist with the approval and monitoring of NMC programmes in the United Kingdom.

Information on the role of reviewers and an application form can be obtained from Allison.suffling@mottmac.com. The training and selection event will be held on 28 September 2010 followed by the annual conference on 29 and 30 September 2010. Applicants are required to attend all three days.

Potential candidates should submit an application form and CV and confirm their availability with Allison by 25 June 2010. If applicants are invited to attend the training, Mott MacDonald will refund travel and accommodation costs, we are unable to pay a fee for attendance at training events.

I would be very grateful if you could pass this information on to any colleagues from the field of learning disabilities who may be interested in this exciting developmental opportunity.

Thank you for your help.

Yours sincerely,

A handwritten signature in black ink that reads "Janet James".

Janet James
Director of Reviews
