

**June's Offer of the Month from CHANGE!**

**33% off the [Specialist Cancer Collection](#)**

The [Specialist Image Cancer Collection](#) is a CD-ROM containing 700 images about **cancer diagnosis, treatment, palliative care and preparing for death**. Developed with **Macmillan Cancer** these images can be used to make your own accessible information such as posters, leaflets and personalised care plans. The CD-Rom also includes **“We are Living Well but Dying Matters”** which is a film made by CHANGE and with support from The National Council of Palliative Care. In the film people with learning disabilities tell their stories and share their wishes to support other people with learning disabilities to become more comfortable talking about dying, death and bereavement.

As our offer of the month we currently have **33% off all user licences**, for a limited time only, details below:

CHANGE is also working with **Macmillan Cancer Support** and **Coventry University** to run a wellbeing course for people with learning disabilities who have received treatment for cancer. The **HOPE** course is about getting strong after your treatment for cancer and finding ways to have a good life. The course will be based in Leeds and we are looking for people with learning disabilities who have been affected by cancer to take part, if you know of someone who would benefit from taking part or if you would like more information please contact [Austin@change-people.co.uk](mailto:Austin@change-people.co.uk) or 0113 3880011 or [LCooper@macmillan.org.uk](mailto:LCooper@macmillan.org.uk)

**CHANGE** is a leading national human rights organisation, working for the rights of all people with learning disabilities. At **CHANGE** we employ people with learning disabilities on an equal, living wage to produce accessible resources and deliver training. The income from any of our sales is put straight back into **CHANGE** to ensure we can continue to employ people with learning disabilities.
