

Calling Personal Assistants and all those who use Personal Assistants

If you would like access to information on:

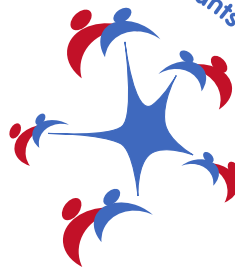

- employment rights, responsibilities, legislation and regulations,
- standards and guidelines for offering individual support,
- getting your voice heard when changes are proposed,
- training and monies to pay for it,
- direct payments and individual budgets,

then join **PA Net**; a service being developed with Department of Health funding. No cost involved - simply register your interest by completing this card and posting it back and we will send you further information.
