Twitter @PCPLDnetwork

PCPLD Network
Palliative Care for People with Learning Disabilities

Chair Dr Irene Tuffrey-Wijne

Keynote speakers

Dr Pauline Heslop

Manager of the Confidential Inquiry into Premature Deaths of People with Learning Disabilities (CIPOLD)

Dr Claud Regnard

Consultant in palliative medicine
Prof Regnard has many years' experience of working with people with learning disabilities and developed the well-known DisDAT tool. He is an expert in issues and developments around mental capacity and advance care planning.

Presentations include:

- ❖ The latest developments, research and resources around end-of-life care planning for people with learning disabilities
- ❖ Award-winning work in end-of-life care provision for people with learning disabilities

Who should attend?

- ❖ Clinicians from primary and secondary health care settings, palliative care services and learning disability services
- ❖ Service managers
- ❖ Family / carers

Feedback from previous conferences

We are currently working on setting up end of life plans for all our residents and this day has been extremely helpful in giving ideas on how to approach it.

Very inspiring!

I have been to three PCPLD Network conferences now and I always take something away that I immediately implement into my practice.
