

Person centred thinking

We are running seven ½-day workshops at Connect in the North in Leeds. The workshops introduce different person centred tools which you will be able to use to support people with learning difficulties to get the lives and supports they want.

The workshops are free to people working in Leeds. However, you will be charged £10 if you do not give at least a weeks notice of cancellation, or a valid reason for not attending. It is okay to send someone in your place. For people working outside Leeds places cost £40.

Choose the workshops you want below. Then return the form to us –

- You can come on just one or as many as you like
- All the workshops start at 1.00 PM and end at 4.00 PM
- They will all be at the Connect in the North office
