

Age Concern Liverpool & Sefton and Liverpool City Council in conjunction with Open the Door Theatre Group is staging a play at 4 community venues across the city specifically designed to showcase some of the issues facing older people today.

The play is funny, touching and thought provoking. During the breaks in the play we will be talking with the audience and finding out what services the over 50s in our city would like to see if Liverpool is successful in a multi-million pound Big Lottery Bid. So if you would like to have a fun afternoon or morning out and play a part in shaping the direction of services in Liverpool, then please give us a call on **0151 330 5567** to book your place.
