

October's Offer of the Month from CHANGE

1/3 off the RRP on all Parenting Picture Banks!

CHANGE's [Parenting Picture Banks](#) are CD-Rom's containing all of the pictures used to illustrate our popular [Parenting books](#). Together these CD's give you all the tools you need to make your own accessible information for vulnerable parents. The topics covered in the CD's start with [My Pregnancy, My Choice](#) which has over 750 illustrations from finding out if you are pregnant through to ante-natal care, the birth and the first few days with your baby. [You and Your Baby](#) covers the baby's first year with 400 images on everything from feeding, nappy changing, teething problems and managing sleeping routines to how you might be feeling and how to keep your baby safe. [You and Your Little Child](#) has 1100 images to take you from age one through to five and covers areas such as healthy eating, potty training, play and learn, nursery and routines such as bathing and bedtimes.

Purchased separately or as the full set these CD's can be used to make your own personalised care plans, leaflets, assessments and training materials and all of the discs come with a free copy of our "How to Make Information Accessible" guide to give you all the help you need to make your own easy read information.

Our special offer this month is a third off the RRP on all the parenting picture bank licences (licences are based upon the number of people using the disc) for full price details see below.
