

The highly anticipated new edition of:

My Pregnancy My Choice

The essential guide to Pregnancy and Birth in easy words
and pictures - **order now for delivery in early May**

A 470 page book with over 500 pictures designed to support parents with learning disabilities make informed choices about pregnancy and birth. Also for parents who find reading hard or have English as a second language.

'The books have helped to empower parents because they have a resource they feel able to read and get the relevant information needed' - Health Professional

Revised and updated 2013
in collaboration with
NHS Scotland and UNICEF
