

Having our Say about the White Paper Equity and Excellence: Liberating the NHS

We want to get information from you so that we can tell the government what we think about this White Paper.

Read the easyread version of the White Paper and the report we have been sent by Inclusion North.

There are then some questions at the back of the easyread White Paper.

You can answer any of those or answer the ones here. We will then pull together all the responses and send in our feedback.

.....

**Do you agree with the big ideas that are in the White Paper?
Are they the things that matter to people with a learning disability and family carers?**

What do you think is good about what this White Paper says?

What do you think is bad about what this White Paper says?

Is there anything else that you think we should tell the government about this White Paper?
