Secondments will be welcomed

You will influence UK policy and practice now and in the future in the area of eHealth, and support and engage nursing staff in this agenda. Advising and representing us on eHealth issues, you will form collaborative eHealth partnerships, embed eHealth across the RCN, engage and support members with regards to eHealth including working with our Information in Nursing Group, and manage our eHealth web content. A background in and enthusiasm for eHealth to ensure that it plays a significant part in nursing care in the future is a must. Objectives will reflect part-time hours.

For an informal discussion, please contact Jackie Cheeseborough on 020 7647 3616.
