

# Foundation Learning at ID Training

## Training to suit your individual needs

Are you, or someone you know, looking to improve your skills and get a nationally recognised qualification?

ID Training specialise in Foundation Learning for learners with learning difficulties and/or disabilities.

We have spaces on the following courses:

**Employment**

**Independence**

**Maths**

**English**

### Employment

Would you like to get a job or improve your skills for the job you already have? Our employment training includes vocational options of Health and Social Care, Retail and Practical Office Skills.

### Independence

Would you like to be more confident and have more control in your life? Our independence courses include: Assertiveness, Knowing your Local Area and Working with Others.

### Maths

Would you like to improve your money skills? Our

three hour sessions explore all areas of maths in a fun and exciting way.

### English

Would you like to improve your writing skills? You will cover reading and writing and speaking and listening in our three hour sessions.

All of our courses are delivered at ID at Westgate, throughout the week.
