

Thinking Outside TheBox

New innovations in service-user led research and recovery

Friday 19 April

10am - 4.30pm approx

Monkton Lecture Theatre

St. George's Medical School, Tooting

A free conference open to all

- Come and hear about exciting new projects, personal experiences and stories about *recovery* from the members of ResearchNet St George's
- You'll also have the opportunity to learn about **Books Beyond Words** in a free morning workshop looking specifically at the therapeutic value of the books.

Featuring guest speakers:

- **Baroness Sheila Hollins: Sheila is a researcher, psychiatrist, parent and member of the House of Lords and creator of Books Beyond Words. Sheila will lead the morning workshop**
- **Dr Valerie Sinason**
